DBH Annual Consumer Survey Workgroup and Focus Plan

The 2011 is in process now. The survey analysis will be in-house this year. We will share information through our SQIT meetings. We changed the sampling methodology to address and improve the response rate. Feedback on the youth survey indicated individuals wanted to allow youth to take the survey. We would need volunteers to work on the youth survey. Please think about it and let us know. Sheri wants the committee to think about what benchmarks we want for the annual survey.

Quality Initiatives Update

Co-Occurring Disorders Quality Initiative: See attached handout with the strategic initiatives 1,2 and 3. Final Roadmap and Report at next meeting.

Statewide Performance Measures and Benchmarks

Sheri took a Round Robin Roll Call – Performance measure suggestions for this coming fiscal year:

Region 4: Quality of life and waiting times.

Region 3: Trauma informed.

Region 2: Looking at Open Minds-let's make sure not duplicative, keep it simple-collect not horribly intrusive to client.

Region 6: We have not discussed this yet.

Region 5: Not really anything to add-stick with NOMS this year. Working on document clean-up and overall waitlist piece.

Region 1: Concern to be careful not to add too much onto what providers already have.

QI Annual Plan Handout

Feedback received on changes for the 2011-2012 plan.
